PITTSBURGH, May 11.—What the authorities of Allegheny County believe was a murder and robbery was uncovered early to-day when the body of Dr. George W. Goets, twenty-eight years old, of McKeesport, was tion.

When you are sick, no matter what is the matter with you, the first thing the doctor does is to give you a laxative—you know this. And, as the doctor agree that 95% of illness is due to that cause, it is safe to say that if there had been no poisonous waste in the lower intestine you would not have been sick at all.

So eminent a specialist as Prof.

Metchnikoff says that if man had no lower intestine he would almost live forever. Don't neglect eliminating this waste and preventing Constipation.
